INTERVIEW SUMMARY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Per my discussion with Examiner Annan Q. Shang of December 23, 2005, I am writing this interview summary to clarify the record.

On reviewing the Office action of October 5, 2005, it was determined that the action did not address all of the pending claims. In particular, although the action discusses claims 1-90, it does not address new claims 91-181 which were added via the preliminary amendment mailed June 23, 2005.

On October 31, 2005, the undersigned telephoned Examiner Shang to discuss these circumstances and request a complete Office action. Because Examiner Shang was on vacation, the undersigned telephoned Supervisor Chris Kelly. Examiner Kelly telephoned

PATENT
Attorney Docket No.: 20004/42US

the undersigned on November 10, 2005. During that call, Examiner Kelly indicated that a new Office action would be mailed addressing all of the claims.

Having not received an action, the undersigned again telephoned Examiner Shang on December 22, 2005, and left a message requesting a return call to discuss the need for a new Office action. Examiner Shang promptly and courteously returned the undersigned's call and left a voicemail message indicating that, until receiving the undersigned's voicemail of December 22, 2005, he was unaware of the problem.

On December 23, 2005, the undersigned spoke with Examiner Shang. Examiner Shang indicated that a new Office action would be issued and the period for response would be re-started from the mailing date of the new action. Examiner Shang asked the undersigned to file this interview summary to make the record clear that the Office action of October 5, 2005 was withdrawn and that no response to that action was due.

The undersigned hereby thanks Examiner Shang and Examiner Kelly for their courtesy and professionalism in handling this matter in a manner to ensure that this situation is properly and promptly resolved.

Respectfully submitted,
